This song is dedicated to all my friends, but specially to the Kleimt family and their always open house and hearts.

Em

Don't listen my friend,

Em G Am Hm C#m C#m⁶

You see the fire, where I see vanishing logs

Em G Am Hm C#m C#m⁶

You see the red, where I see the dust and black

Em G Am Hm C#m C#m⁶

You speak of life, while my darkness kills all joy

Hm F#m Em

I'm no companion to - night

Hm F#m Em

I'm no companion to - night

Em

Listen my friend,

Em G Am Hm C#m C#m⁶

You feel the warmth, while I feed my inner ice

Em G Am Hm C#m C#m⁶

You talk of future, while I fear the past repeating

Em G Am Hm C#m C#m⁶

You speak of joy, while I fight the urge to cry

Hm F#m G

I need a companion to - night

Hm F#m G

I need a companion to - night

Em

You listened my friend,

Em G Am Hm C#m C#m⁶

My words were dull, but your ears gave them meaning

Em G Am Hm C#m C#m⁶

My eyes saw me, but you gave without any taking

Em G Am Hm C#m C#m⁶

You made me join, a song of friendship and of healing

Hm F#m G

I have a companion to - night

D F#m G

I have a companion to - night

D A G

I have a companion all nights

D C G

I have a companion all nights
