**G C Am D<sup>7</sup>**  
Basil, garlic and red wines  
**G G<sup>6</sup>/B Am D**  
Fill the room with summer dreams  
**G G/F# Em A**  
Sweet scent lingers everywhere  
**D Am Am/B C G**  
Happiness lays in the air

**D<sup>9</sup>/G Am**  
*Chorus:* Bouquets of the past  
**D<sup>7,9</sup>/G G**  
Captured for today  
**D<sup>9</sup>/G Am**  
I know that they will last  
**D<sup>7,9</sup>/G G**  
Smells that guide the way

My parents house, opening the door  
My nose knows well whom I adore  
The cakes, the food, even what they wear  
Family is in the air

*Chorus*

Wet leaves in Novembers sleet  
Or the pine trees in the summers heat  
Past pleasures that I can't share  
Some memories are in the air

*Chorus*

Her smile, her skin, her hair by chance  
My nostrils make my stomach dance  
When she's leaving she's still there  
My love revives the air
